## Quality from Start to Finish.....

Richco is the unprecedented installer and now manufacturer of high-performance resin flooring systems.

With over 20 years' experience we pride ourselves in offering high quality, premium flooring systems Worldwide to a variety of industries. Richco are dedicated in providing a turnkey approach which means you'll receive high quality products and installations consistently. From people to products and services, quality and dependability is what Richco strives to provide.

As a family run business, we have the dedication to succeed for our clients, but have the compassion to care about the quality of our service.

# RICHCO FLOORING SOLUTIONS

From the start of your project to the finish; from specifications and design to project management and the final walkthrough, we work with you directly. Richco are not like other flooring companies; we can offer all or part of our unique services from:

**Design & Consultancy / Specification / Materials / Installation Service**

Which ever service you decide to use from us – we are unfounded on our service and delivery. We have the professionalism that keeps our clients coming back. We are more than just a decorative flooring solution – we have the experience of manufacturing and installation in industries which include;

Themed Attractions
Zoos & Aquariums
Restaurants
Recreation
Golf Courses
Stadiums
Hotel & Leisure
Movie Theatres
Wineries & Breweries
Casinos & Clubs
TV & Film

## COLOR & DESIGN MATTERS...

Richco offers unlimited options for color and design. With a vast selection of standard colors available and the ability to custom color-match to virtually any color, the aesthetic options for your project are endless.

## SO DOES EXPERIENCE

With more than 20 years' of experience, Richco has the dedication and knowledge to give total customer satisfaction by providing single source responsibility and reliability.

## PROVEN TO WORK

We can create decorative flooring solutions which doesn't just have the look but will have the longevity that you require. Our products have been tried and tested and are proven to work. Our experience and customer recommendations says it all.....

*Immerse your guests in the complete package – don't forget the floors.....*

# PREMIUM RESIN PRODUCTS

Richco manufactures, distributes and installs a complete range of resin flooring systems. Our products include:

| | |
|---|---|
| Polyurethane | Polyaspartic |
| Epoxy | Acrylic |
| Primers | Urethane |
| Stains/Sealers | MMA |

Richco are not a "one solution fits all" supplier. We work with your design team, architects and specifiers to understand the criteria of the projects. We will recommend the optimal resin flooring system for your needs taking into consideration your budget, time allowance, the product co-efficiency and your aesthetic requirements.

With a wide range of resin systems to choose from, you can be certain your system meets your immediate and long-term needs.
